

## **Manifesto for SU Council- Sports Rep Position**

As a second year, I have had a year's experience of what sport is like at the University. With one year left for me, I hope that it will be just as enjoyable for all: From the September Freshers, to new Second, Third and Forth year students.

I have come to realise that sport is a very important part of many Students' time at Winchester. It brings everyone together and as well as making friendships, it can bring out the competitive streak in us when it comes to playing matches. As the famous saying goes "Alfie's till I die" it just shows how sport is at the heart of our University especially, and how it is there for us to kick back and relax from the stresses of essays and exams.

I am running for the Sports Rep role on the SU Council for a number of reasons:

I have a passion for sport in general, from participating, to watching televised ones like Football and Motorsport.

I have direct knowledge of all the Sports Teams as I work at the University Gym and at present I am acting Manager. To me it is important that everyone taking part has a good time and that the Sports Facilities' allow this. So on some occasions this means dealing with queries like "Where is the scoreboard?" on match days.

Based on the successful work of last year's Sports Rep, I would like to continue their form and maintain the smooth running of the Sports Teams and key Sporting events. I would like to regularly hear from Students about any ideas they have for the creation of new Sports Teams or developing those currently in play. I would put your thoughts forward at meetings with the other members of the SU Council and look to achieve positive results.

With the recent completion of the brand new, state of the art facilities at Bar End, I would like to see that the Sports Teams are able to have great use of them and also the possibility of new Sports Teams being created, like athletics and using the eight lane track there.

If you consider me the ideal candidate for the role, I will be able to share my love of sport with you and put this to good use together with my knowledge of the Sports Teams and your ideas.

To **YOU** I say:

**Don't waste your right to vote, make it count and get involved!**

**Remember: Support  
Our  
Sports**

**Vote Hannah for Sports Rep '08/'09**
