

your essential guide to what's on in the student union

what's on winchester: every fortnight freshers '11 edition

Welcome to Winchester!

Welcome to the University of Winchester and the start of an unforgettable experience that you will hopefully treasure for many years to come. I cannot put into words how the Winchester Experience has benefited me in my four years here and I envy you for getting to experience it all in the next few years.

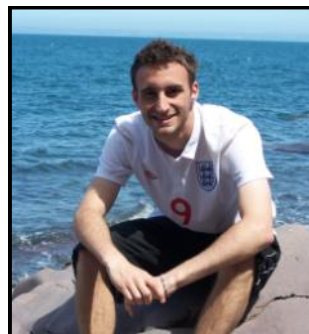

Your first year at university can be a scary experience and you are bound to encounter a range of emotions throughout your time here. We're here at Winchester Student Union, therefore, to ensure that your student experience is the best it can be. Ultimately, run by students for students, the Student Union is here to answer any questions or help with any fears that you may have. This is an important part of your life and we are here to help you live it to your full potential, supporting and encouraging you the whole way.

The Student Union is the biggest venue in Winchester and, throughout the year, will host a variety of entertainment suited to every individual. There is so much to look forward to in the first two weeks as listed inside this booklet. The legend that is BOP every Wednesday is a must – Great music, Great atmosphere – A true Winchester tradition that you cannot miss. Flirt! every Friday is also epic and gets better year by year! With different themes and giveaways every week, kick off your year and get your fancy dress out with the School Disco in week zero and the Beach Party in week one! The Fresher's Fayre is also a must for all new students and is vital for seeing what sports teams and societies are on offer. There is also a whole host of food and freebies so grab as much as you can! It is important to make sure you attend as many events as you can in the first few weeks in order to settle in and meet new people!

The Student Union is not just a bar with cheap drinks – It's here for your support on both an academic and personal level. If you have any questions then please do not hesitate to email SU_Pres@winchester.ac.uk or speak to any of the executive officers or 'Fresher's Crew' dotted around campus.

I wish you every success for the next academic year and can ensure that the more involved you are in your Union, the greater your University experience will be. Start getting excited – The countdown to the best years of your life starts now!
